

North Star
Exec Outpost
Knee Lake, Manitoba, Canada

The *North Star Executive Outpost* is located in the far northern untouched wilderness of Manitoba, Canada. No roads lead to this exclusive outpost, it is only accessible by air. While there you will find no other lodges and no commercial fishermen; just the magnificent tranquility of nature and wildlife that surrounds you. Only our guests have the privilege to fish this nearly 50-mile-long lake that is teeming with giant northern pike and loads of feisty walleye. You will experience the acclaimed world class fishing our guests come back to Knee Lake for year after year.

What is an Executive Outpost?

North Star Executive Outpost is a great option for the avid angler that doesn't need the extra amenities of a full-service resort, but also isn't interested in going to a conventional rustic outpost. During your stay at North Star Executive Outpost you will be treated to:

- Furnished cabins with full bathrooms, 24hr electricity and fully stocked kitchenettes including all of your food.
- Access to our main lodge with satellite TV, WIFI, telephone and game room.
- Well-equipped 17ft Lund boats with fish locaters and reliable Yamaha outboards.
- Manager and staff onsite.
- Roundtrip airfare from Winnipeg to North Star Executive Outpost.

North Star Executive Outpost is an easy and cost effective way to experience world-class pike and walleye fishing.

Enjoy...

Acclaimed World Class Fishing on Knee Lake

Step aboard one of our spacious Lund boats powered by a dependable Yamaha outboard and get ready for an unforgettable day of fishing. North Star Executive Outpost has exclusive access to Knee Lake. This fact, combined with our strict barbless tackle and catch and release policy for all northern pike, will ensure both a high quality and quantity fishing experience for generations to come.
